A Monsieur KANYARENGWE Alexis
Président du FPR
KULINDI

Monsieur KANYARENGWE,

Les signataires de la présente ont décidé de s'adresser à votre personne au nom des populations des Préfectures de Byumba, Ruhengeri et Kigali ravagées par la guerre que vous avez imposée au peuple rwandais en tant que Président du FPR. Le message a pour objet principal de vous placer devant vos responsabilités face à l'histoire de votre pays.

En Juin octobre 1990, sous prétexte que vous vouliez instaurer la démocratie au Rwanda et assurer le retour des réfugiés, vous avez attaqué votre patrie et poursuivi sans relâche cette guerre meurtrière contre vos compatriotes. Malheureusement, le peuple rwandais a été témoin d'autres massacres: vous avez massacré des dizaines de milliers de Rwandais innocents, exclusivement d'ethnie hutu, vous avez saisi de leurs biens des centaines de milliers d'autres, vous avez attaqué aux objectifs économiques pour désorganiser l'économie nationale et sans oublier le drainage d'une partie de votre pays vers l'Ouganda, votre patrie adoptive.

Le 09 février 1992, malgré le cessez-le-feu alors en vigueur, vous avez lâché vos tuteurs à gage sur les hutu de Byumba, Kigali et Ruhengeri sous recommandation spéciale d'exterminer dans cette dernière préfecture vos anciens combattants. Vos sœurs, vos frères, vos cousins,... viennent de passer plus de deux ans dans la misère et la dégradation suite à votre caprice ! Vous voulez sans doute prouver à vos "nouveaux Rwandais", inyenzi-inkotanyi, que vous n'êtes plus ni hutu ni rwandais de Ruhengeri. Dérompez-vous, ils ne vous croient pas.

Dans la nuit du 17 au 18 novembre 1993, malgré l'accord de paix d'Arusha signé par vous-même, vous avez eu encore la bande d'ordonner à vos bandits d'emporter lâchement des milliers d'autres innocents, en majorité des enfants, femmes et vieillards, parmi les responsables de l'assassinat du 19 février 1993.

Il n'y a plus lieu de douter qu'en ce de tous ces "hauts faits" vous n'avez pas été mentionné "excellent" dans les médias d'être élevé au rang des atrocités.

Malheureusement, l'homme à la main courte ! Vous n'avez rien fait, vous attendez que devant la révolution burundaise, la clique à laquelle vous êtes devenu membre tant par le mariage de complaisance ? Ne vous oubliez pas ! Qui a été votre tuteur ? Vous n'avez rien fait, vous n'avez pas massacré des milliers de Rwandais innocents, vous n'avez pas saisi de leurs biens des centaines de milliers d'autres, vous n'avez pas attaqué aux objectifs économiques pour désorganiser l'économie nationale et sans oublier le drainage d'une partie de votre pays vers l'Ouganda, votre patrie adoptive.

Vous êtes-vous jamais rendu compte que ce sont les tutsi qui furent à la base de la pomme de discorde entre vous-même et le Président HABYARIMANA parce qu'ils redoutaient la solidité de la nouvelle équipe au pouvoir dont vous deux constituiez l'ossature ? Avec vous publié vos jours nombreux lors de votre apprentissage au sein du FPR quand vous étiez traité ostensiblement comme un être humain ? Il se trouve celui qui croit que le fauteuil de chefman vous occupe par nécessité à cause de la mémoire de vos administrés actuels votre passé et votre appartenance à l'ethnie hutu.

Monsieur KANYARENGWE, si vous vous permettez d'oublier les leçons de l'histoire, sachez bien que l'histoire, elle, n'oublie pas. A ceux qui savent consulter l'histoire de notre sous-région, cette première leur apprend que le tutsi est de nature revancharde et jamais reconnaissant. De plus, il a en horreur la démocratie. Sans devoir remonter trop loin dans le passé, il suffit de se reporter au cas du Burundi où la caste sanguinaire tutsi, qui n'a jamais accepté le jeu démocratique, vient d'assassiner le président NDAYIZI élu démocratiquement et poursuit imperturbablement l'effusion de sang parmi la population hutu.

Monsieur KANYARENGWE, il n'est jamais trop tard pour faire le bien. Si vous ne voulez pas être rejoint à jamais à la fois par la majorité populaire et la caste tutsi, il faut que vous vous dégagez de l'embarcadere dans lequel vous vous déballez actuellement.

A bon entendeur salut !

Ibyo abategetsu b'i Rwanda barabyirengagije. Aho kwitegura bahitamo gufunga uwari yababuriye. Ntiyabujije ariko inyenzi guterank'uko zari zabiteguye. Iryo Kangura yavuze rirataha.

Kangura kandi yakomeje kuburira abanyarwanda ibabwira kwitondera amayeri y'inyenzi. Twakomeje kenshi gukemanga ibyo bise amasezerane y'amahoro yasinyiwe Arusha kuko ari uburyo bwo gusinziriza abahutu. Dore ko inyenzi ubwazo ayo masezerano ntacyo azibwiye. ABAPARMEHUTU BO MURI MDR N'ABAHUTU BO MURI PL NIBO BIKOZEHO

Baca umugani mu Knyarwanda ngo nyamwanga kumva ntiyanze kubona. Ibibera muri iyi minsi mu mashyamba MDR na PL ntawe byari bikwiye gutangaza. Ariko cyane cyane abiyita abaparmehutu bo muri MDR n'abahutu bo muri PL;

Ngo urwishigishye ararusoma. Umunsi amashyamba menshi yongera kwemererwa mu Rwanda mu mwaka

w' 1990, "impirimpanyi za demokarasi" zihutiye gushyamba amashyamba. Bamwe bashyiraho ayabo mashyamba, a bandi bavugurura ayari asanzweho. Ni muri urwo rwego "impirimpanyi za demokarasi" zo muri MDR zahise zizura MDR Parmehutu ya Nyakwigendera Gerigori Kayibanda na bagenzi be. Abambari ba MRND bafata icyari ishyamba rimwe rukumbi

butegetsyi unyuze iy'ubusamo.

Ni muri urwo rwego amashyaka MDR, PSD na PL yiremye mo agatsiko k'abagambanyi bise "comité de concertation" komite ngishwanama). Barongera barihandagaza ngo mu Rwanda nta moko ahari. Ngo nta muhutu nta mututsi na mutwa uhari. Ngo hari ubwoko bumwe bw'abanyarwanda! Kugirango bavuge ibyo nabo sibwo. Bashukwaga n'abatutsi babakoreshaga ibyo bashakaga. Abatutsi bo bari bafite icyo bagamijye. Kuzimangatanya ikibazo kiri hagati y'abahutu n'abatutsi. icyo ayo moko uko ari abiri nta kindi uretse ubutegetsyi.

Abatutsi bakomeje gushuka ayo mashyaka kugeza aho abayeho bikoresheho bya FPR. Abyumvikanyeho na FPR, ayo mashyaka uko ari atatu yahuriye i Buruseli mu Bubiligi atanga Perezidanturura ya Ruhengeri na Byumba ngo afatwe. Ayo mashyaka kandi yakomeje guca ingabo z'u Rwanda intege bazita iza Habyarimana. Ngo ingabo nizitegure kwirukanwa zijye guhinga ibishanga!

Abayobozi b'ayo mashyaka cyane cyane ab'abahutu ntibatinze kubona ho bibeshyeye. Ngo wiringira ijosi rikakubyarira umwingo. Abaparmehutu go muri MDR batinyaga kuvuga ko ari abaparmehutu mu gihe inkotanyi zo zigambaga ko ari iz'amarere, bakangutse byarangiye.

Abatutsi bifashishije icyitso cyabo Twagirumungu Faustin babiba ishyamba ryabo. Ishyamba ryitwaga irya rubanda rihinduka iry'umuntu umwe. Twagirumungu akorera "coup d'état" abahutu bakomeje kurindagizwa n'ibifutero by'abatutsi babatesha umurongo. Arangije abirataho ngo "azabategeka yemye navaho yegame!"

Abaparmehutu basigaye ku ruhu nk'ikirondwe inka yarariwe kera, nibwo bibutse ko noneho ko ari abahutu. Ngo bafite "power (ingufu)! Hari umwanditsi wo muri Nigeria witwaga Wole Soyinka wigeze kuvuga ati "le tigre ne chante pas sa tigritude, il saute sur sa proie et la mange"! Mu kinyarwanda twavugaga ko ubugabo atari amagambo, ubugabo mugaragarira mu bikorwa. Abaparmehutu rero turabategereje. Ariko nta gihe batababwiye ko "umututsi umuvura ijisho akarigukanurira".

Muri PL naho ni uko. Umuhutu Mugenzi Justin agize atya yegera kuruta kure uw'abahutu. Ku buryo PL

yageze aho iba ku mugaragarira ishyamba ry'abatutsi. Ku buryo iryo shyamba ryageze aho niba ishamba rya politiki rya mwene wabo Mbonampeka Stanislas, umwe ntuyibagirwa n'umuhutu kazi Ntamabyariro Agnès bashyamba ishyamba. Baryita PL (Parti Libéral), ishyamba "riharanira ukwishyira ukizana kwa buri muntu". Ku bazi andi mashyamba yitwaga PL cyane cyane abo mu Buraya, usanga ari amashyamba y'abakire. Ngo baba bashakaga akantu ko kwineguriramo, bakavugana ibyabo. Ikiba kibashishikajye abayoboze benshi ahubwo ni ukubona urubuga rwo kuvugiramo.

Ishyamba rya PL rikimara gushyirwaho twari tuzi ko ari iry'abakire b'ino. Uretse Mugenzi ufite inganda, Mbonampeka nawe ariyubashyeye, Ntamabyariro nawe yagiye agira imyanya ikomeye muri iki gihugu. ABATUTSI BABANGAMIYE DEMOKARASI MURI AKA KARERE K'AFURIKA Y'IBIYAGA BIGARI

Abazobereye mu by'amateka, batubwira ko amoko atuye muri aka karere k' Afurika y' Ibiyaga bigari uko ari atatu, atahagereye rimwe. Ngo habanje abatwa bari batunze ahnini no guhiga. Nyuma haza abahutu bari bamenyereye imirimo y' amaboko ariko cyane cyane ubuhinzi. Ubwoko bw' abatutsi nibwo bwaje nyuma baza ngo ari abashumba. Amateka kandi atubwira ko mbere y' uko abatutsi bagera muri aka karere k' Afurika yo hagati, abatwa n' abahutu babanaga mu mahoro. Aho abatutsi baziye intambara irarota. Bahuka mu bami b' abahutu barica kugeza igihe babagiriye ingaruzwamuheto.

Abazi neza iby' imibereho y' abantu bemeza kandi ko aho abatutsi bari nta mahoro aharangwa. Kandi koko wareba ugasanga ari byo. Mu turere baturukamo, iyo ya Etiyopiya, Somaliya na Djibouti, umuriro uraka. Nta kindi bapfa uretse ubutegetsi. Kandi kuri bo inzira ni imwe. Ni imirwano akenshi isiga iheruheru abo biyitirira ko barwanira. Urebye ukuntu Somaliya imeze muri iki gihe niho ubona neza ububi bw' umuntu uwo ariwe wese ukinisha intambara.

Abatutsi bapfa iki na demokarasi ?

Demokarasi ni ijamba rikomoka ku kigereki. Demokarasi bisobanura ubutegetsi bw' abaturage, butangwa n' abaturage, bugakorera abaturage. Muri demokarasi, amatora niyo Kamarampaka. Utsinze amatora mbese uwo rubanda ihundagajeho amajwi niwetegekako utsinze nawe akamenya ko yatsinze agatanga utw' abandi atanduranyije.

Kugira ngo umuntu atsinde amatora ni uko aba ashigikiye na benshi. Impamvu abatutsi batinya amatora ni uko bazi neza ko bayatsindwa kubera ko ari nyakamwe. Ibyo byagaragaye igihe cya revolisiyo nyarwanda yo mu w' 1959. Abazi amateka y' u Rwanda bibuka ko ishyamba ry' abatutsi UNAR ryatanguranywe muri Loni ngo rirashaka ubwigenge bwa hutu hutu.

Impamvu abatutsi basabaga ubwigenge gw' ako kanya "indépendance immédiate), si urundi rukundo bakundaga abanyarwanda. Iyo umuryango w' abibumbuye (Loni)

wibeshya ugatanga ubwigenge utabanye gushishoza, na nubw' abatutsi baba bakiri ku ngoma !

Amahirwe abahutu bo mu Rwanda bagize ni uko hagobotse intwari nka ba Kayibanda bakagaragaza akarengane imbaga nyamwinshi y' abahutu yarimo icyo gihe. Izo ntware zivugiraga ko ntacyo zipfa n' umwami, icyo barwanyaga ni uburyo yategekagamo butari buhuje n' amatwara ya demokarasi Kayibanda na bagenzi be bagasaba ko mu Rwanda habanza hakaza demokarasi isesuye, ubwigenge bukaza nyuma.

Abaromani nibo bakundaga kuvugako ngo "vox populi, vox dei". Ngo ijwi rya rubanda niryojwi ry' Imana. Imana rero yumvise rubanda. Loni yemera amatora. Abatutsi batsinzwe bavugako afitse. Loni ishyiraho Kamarampaka. Nabwo abatutsi baratsindwa. Nibwo bahisemo inzira y' imirwano kuva icyo gihe na nubw'.

Abatutsi nibo nzitizi ya demokarasi mu karere k' Afurika y' ibiyaga bigari

Demokarasi ntishobora gusugira muri aka karere, igihe cyose umututsi azakomeza kwibwira ko yavukanve imbuto yo gutegeka. Ingero ni nyinshi. Ngo ijya kurisha ihera ku rugo. Ibibera mu bihugu duhana imbibi biratugaragariza ukuri ku byo abatutsi batekereza. Muri Uganda, umuhima Yoweri Museveni amaze gutsindwa mu matora ku mugaragaro, amatora yabayeho mu w' 1982, yahise yerekeza iy' ishyamba. Yifashishije impunzi z' abatutsi b' abanyarwanda, Museveni yashoboye kwigarurira ubutegetsi abwambuye abenegihugu.

Kandi ntari no hafi yo kuburekura dore ko atanakozwa icyitwaga demokarasi ishingiyeye ku mashyamba menshi. Ngo amashyamba menshi niyo soko y' umwiryane ! Museveni afite n' akarusho dore ko ari we mukuru w' igihugu muri Afurika yigenga ushaka kugarura ubwami. Repubulika ya Uganda mu minsi mike iraba yahindutse ubwami. Museveni kwimika abami nko mu karere ka Buganda, nawe ubwe yigira umwami

w' Ankole. Hasigaye kwiyita umwami wa Uganda !

Ibiherutse kubera mu Burundi nabyo biratugaragariza ko abatutsi aribo babangamiye demokarasi muri aka karere. Abarundi bari bamaze kwitorera ababayobora binyuze mu nzira ya demokarasi, abatutsi ntibabarebera izuba. Babahukamo barakindagura, abacitse ku icumu barahunga. Ku buryo intambwe u Burundi bwari bumaze gutera mu nzira ya demokarasi yasubiye inyuma cyane !

No mu Rwanda ni uko, demokarasi ntishobora gushinga imizi igihe cyose abatutsi bazaba batari bumva ko ubutegetsi ari ubwa rubanda. Ibitero abatutsi bakomeje kugaba mu Rwanda kuva rwabona ubwigenge nta kindi byari bigamije uretse gufata ubutegetsi ku ngufu. Kuko kubigeraho mu matora byananiranye. Inyenzzi zigaba igitero mu Rwanda tariki ya 1/10/1990 zabeshye abanyarwanda n' amahanga ko ngo zirwanya igitugu, ko ziharaniye demokarasi. Nyamara ukuri kuragenda kuzitamaza. Niba koko inyenzzi ziharaniye demokarasi ntizakwibasira abatavugako rumwe nazo cyane cyane abo muri MRND na CDR. No kujya mu mishyikirano usanga zarabikoze bya nyirarureshwa, bajijisha. Uwo mukino kandi zirawumenyereye kuko atari ubwa mbere ziwukina. Museveni ntiyafashe ubutegetsi amaze kujijisha ngo yemeye amasezerano y' amahoro !

Abanyarwanda cyane cyane ingabo zabo ntibari bakwiye ero kwirara ngo intambara yarangiye. Inyenzzi nta gihe zitivugiyeye ko iyi ntambara ishobora gufata n' imyaka 20 bibaye ngombwa. Kagame akongeraho ko bibaye ngombwa basubira mu ishyamba. Ngo iby' amasezerano ngo akaba atari akamara yo guhagarika imirwano. Kandi inyenzzi zibyerekanye inshuro irenze imwe !

Biravugwa kandi ko hari umutwe ushinze kuziba abantu ari bazima icyo bazabakoza n'aho bazabajyana ntiturambimenya neza. Abavugwa muri uwo mugambi ko bazibwa harimo umukobwa wa Kabuga umuyoboze ukomeye wa MRND.

Banyakubakwa bayobozi b'ingabo z'u Rwanda, icyo inenzi zishye abo mushinzwe kurinda abari ari ukubasuzugura no kubakoza agatoki mu maso. Ibyo abanyepolitiki babeshya ngira ngo ntibyagombye kubatera igihe. Ingero ni izi :

1. Ubwo hafatwaga abasore bari bagiye muri FPR mwumvise ko Inkotanyi zanze gukora imishyikirano i Kinihira ngo kereka abo basore babonetse. Mwumvise ko ntacyo Agatha uyobora Guverinoma ngambanyi ntacyo yavuze. Abo basore mwarabashubije. Mwumvise ukuntu Agatha yamagana itangazo ryanyu ryavugaga ko mutazongera kugirana imishyikirano n'inenzi mu gihe zitarasobanurabitero zagabye muri Komini Nkumba na Kinigi. Mu gihe ibyo bisobanuro byari bitaratangwa mwumvise ibindi bitero inenzi zagabye muri Komini Mutura zikica urubozo abaturage basaga 20. Ibyo byose iriya Guverinoma ngambanyi iyobowe n'Agatha ntacyo yabikozeho kugeza n'ubu itinya kuvuga ko ari FPR zagabye ibitero maze Radiyo Rwanda igatangaza ko ari abagizi ba nabi. Colonel Nsabimana wageze aho ayo marorerwa yabereye muri Mutura yarumiwe yumvishije Radiyo Rwanda itinya kuvuga FPR, igahitamo kuvuga **abagizi ba nabi**.

Bayobozi b'ingabo z'u Rwanda, nkuko nakunze gutanga umusanzu wo kurwana ku rwambyaye nongeye gutanga undi musanzu mbasaba ko mwakwima amatwi iriya Guverinoma maze mugashaka ukuntu murwana ku baturage babonekamo ababyeyi banyu n'abavandimwe banyu. Ibyo kandi biroroshye nimugira umutima wa kigabo utarangwa n'ubwoba.

Ngabo z'u Rwanda mwumvise amarorerwa yakorewe abaturage mu Bugesera aho abasirikari bi Burundi bateraga u Rwanda bakica abaturage mushinzwe kurinda, abandi bakabafataho iminyago bakajya kubicira i Burundi. None se hari ukubakora mu jisho kurenze kuriya ? None se twe rubanda nyamwinshi tubashyigikiye nidukomeza kwicwa kuriya muzasigara mushyigikiwe na nde ? Aho noneho rimwe inenzi ntizizabarasira mu mazu yanyu tudasize mu bigo mukoreramo ?

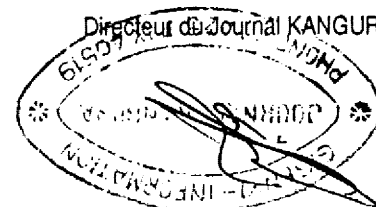

Ibyo Inkotanyi zirimo gutegura haba mu Rwanda cyangwa mu Burundi ni ba mutabibona, twe abaturage turabibona usibye ko mushatse twafatanye namwe tukabikemura. Ntihazagire uvuga ngo twatewe dutunguwe kuko nyje ubibabwira mfite ibimenyetso simusiga. Radio Rwanda ngo irazira ibyo yatangaje ku byerekeye u Burundi. Abandi se bo barazira iki ?

Umurundi yaravuze ati "**uzompusha sinzomuhusha**". Muribuka ibyo twatangaje ku ngabo z'u Bubiligi zaje mu Rwanda mu rwego rwa ONU uko twazamaganye tuvuga ko tutazishaka, murabizi. None zaranze ziraza. Ubwo twazihushije rero zo ntizizaduhusha. Abizera ONU rero nimurebe ibitero bimaze kugwamo inzirikarengane kandi ONU ihari. Gusa ikibabaje ni abahutu basigaye bariyemeje gufasha inenzi mu kuzibikira intwari zazo cyangwa se kuzikorera mu bundi buryo. Nkuko ubu bimeze mu bacuruzi babiri bo ku Gisenyi b'abahutu. Abo bacuruzi nibo ndetse banaririmba ubuhutu bwabo ariko ibimenyetso dufite bikatwerekako bazazifasha mu kudutsemba.

Ndangije mbizeza ko ibindi bisobanuro muzakenera muri ibyo bibazo mwazabisanga muri Kangura y'ubutaha. Nimukore icyo bwabaga murusheho kurinda ariya mazu navuze haruguru n'uriya muhanda kuko bene gukora ayo marorerwa ubu bari hafi. Usibye ko amayeri y'inenzi ari menshi zishobora no guhindura zikibasira andi mazu twe tutatangaje. Ni ukuba maso rero natwe turacyabikurikirira hafi.
