Dear Sir,

RE: VIOLATION OF KWSA BY RGF

This is to inform you of the continued violation of KWSA by the RGF and the CDR/MRND militia.

RGF continues to occupy defensive positions within KWSA in violation of the S.D.P document signed by both parties. These positions have mounted weapons. In one particular defense GR 110793, there is a 14.5 mm AAC targeting CND building. Other defenses which have mounted support weapons are:

- Mt. REBERO GS 0779
- Mt. KIGALI GS 0483
- Mt. JARI GS 0488.

We sincerely call upon your indulgence in the matter.

Yours sincerely,

Andrew RWIGAMBA
Lt. Colonel
SECRETARY RPA HIGH COMMAND
